

# The Santiam Post #51 Notebook

The purpose of the Notebook is to permit the Club, Officers and Committee Chairs to provide information about what's going on in a way that will keep the members informed.

The format is simple in that it is just a conversion of an Open Office (FREE), Word, Wordpad or text document to PDF. This permits viewers to look at or print the document with their browser.

To provide a document for this Notebook create your document and attach it to an email to [webmaster@santiampost51.org](mailto:webmaster@santiampost51.org). It will be converted to PDF and in general the document will be available for viewing on the next business day.

Please include the title you want displayed, the author's name and a date range or expiration date for the document.
